### June 13th Ladies

The ladies held a very successful member/guest evening of golf and fun. The longest drive on #15 was Chris Well and the shortest drive on #11 was Helen Haldenby. The longest putt was won by Joan McAndrew and closest to the pin on #13 was won by Chris Wells. After the golf there was a wine tasting with cheese and many good snacks. The country auction was very lively with many good articles to bid on. Many thanks to all that worked very hard to make such a well organized and fun evening.
